Delivering Excellence in Education, Every Day! Grow, Reach, Succeed!

August 1, 2020

Dear Warren Families,

Welcome back to the 2020-21 school year. Unfortunately we are starting off the school year very different than years past. Even though we will not be starting off in person we will see everyone online August 10th at 7:45am. The Warren teachers and staff are very excited to see you and help you through a far from normal school year but help you learn through many different modalities.

If you have not logged on to Parent Vue to select if you want online learning from home or to work on Warren's campus in a Learning Center, please do so as soon as possible. This will help us prepare to safely open Warren's doors. Although we would love to see all of our students' faces in person, at this time the safety of our students, families and staff are at the foremost of all decisions. We will continue to work with our families to provide a high quality education for all of our students.

Since we will all be starting out remotely on August 10th please be on the lookout for a Zoom meeting invite from your child's teacher the week of August 3rd for *Meet Your Teacher Virtually*. Teachers will also be sending out a daily schedule for 'live learning' and when they will be working on their own.

Classroom Dojo will be used school wide this year. Most of you are familiar with this class communication system as it is easy to use and has better communication techniques. Teachers will be sending an invite for you to join their Class Dojo.

Important information:

- Attendance will be taken two times a day
- School will start at 7:45 am and continue till 1:55
- Students should be logged on their computers and ready to go at 7:45 am
- Students will be working with their teacher live for at least 4 hours per day
- Daily schedules will be posted soon
- Warren will continue to have a dress code and it is our recommendation that even the students learning remotely will be in school uniform top. We would like to make this as real of a school experience as possible.
- Lunches will still be available for everyone, the bus stop delivery will continue even after school starts

If your child will be on Warren Campus:

- All students will need their own refillable water bottle with their name on it
- All students will wear masks to school, if you are in need of one please let us know
- Students on campus will be provided their own face shield to wear in the classroom

To stay up-to-date on all information there are a few things YOU can do: check the Warren Home Page <http://warren.tusd1.schooldesk3.net/> for updates and letters from me, follow Warren and TUSD on Facebook, accept the Class Dojo invite from your child's teacher and PLEASE make sure your contact information is correct at all times.

I want to assure you that we at Warren share your concerns, frustrations, and fears on this upcoming school year. We are committed to providing a high-quality education for your child and supporting our families in any way we can. I want to assure you that the safety of our students, families, and staff remains
