END OF FIRST SEMESTER- THANK YOU

We would like to thank all our parents and guardians for their help this semester. We understand this past semester has been frustrating and difficult at times. Keeping every student, staff, and family member safe was our number 1 priority. Next was making sure that our students continued to learn and succeed. The Warren teachers have been truly amazing this year and I am so incredibly proud of each one. Here is hoping that 2021 brings some normalcy and safety back into our lives and students can return to campus.

Please stay safe and healthy and let us know if there is anything that Warren can do to help you.

PICK UP BOOKS AND SUPPLIES ASSIGNED BY TEACHERS

Please make sure you pick up your student's books and supplies from the school. These are being used by the teacher every day. If you can not get to school let us know, and we will make arrangements to get them to you. If you can not make it during 7-3:30 we can leave them outside for you as well.

VIRTUAL LEARNING AT HOME

As we continue this virtual journey together, we would like to put out a few reminders to families. Students need a quiet area for themselves to study and work. Using science fair boards could help separate children in the house. Headphones could be a lifesaver for some students. If you need supplies, please let us know. The following are things to think about when helping your student succeed at home.

- **Log on early-** School starts at 7:45 am, have students start logging on by 7:40 am
- **Regular School Day-** 7:45-1:55 pm or 12:55 on Wednesdays, try and make this day as normal as possible, *including uniform top*
- **Eating during class-** eat snacks during breaks and lunch
- **Appropriate background-** please check the background of the students and make sure it is appropriate
- **Distractions-** Try to keep all distractions to a minimum while live zoom meetings are happening
- **Language-** During live zooms, the language in the background needs to be school appropriate
