VIRTUAL LEARNING AT HOME

As we continue this virtual journey together, we would like to put out a few reminders to families. Students need a quiet area for themselves to study and work. Using science fair boards could help separate children in

the house. Headphones could be a lifesaver for some students. If you need supplies, please let us know. The following are things to think about when helping your student succeed at home.

- **Log on early-** School starts at 7:45 am, have students start logging on by 7:40 am
- **Regular School Day-** 7:45-1:55 pm or 12:55 on Wednesdays, try and make this day as normal as possible, *including uniform top*
- **Eating during class-** eat snacks during breaks and lunch
- **Appropriate background-** please check the background of the students and make sure it is appropriate
- **Distractions-** Try to keep all distractions to a minimum while live zoom meetings are happening
- **Language-** During live zooms, the language in the background needs to be school appropriate

SEE MRS. MARY FOR UNIFORM HELP

Mary has shirts and pants available in her room, please reach out to her if you need help with uniforms. If your child has outgrown uniforms and they are still in good shape, please consider donating them to the school.
